Newsletter 1

Dear Parents

This is our very first Newsletter to our parents and with this we would like to welcome all our children and parents to ADET. It is our responsibility to help our kids be the best they can be and let them know that their best is good enough for us. In OUR community there is so much going on but let us not lose focus or hope. It is OUR responsibility to protect OUR kids and ADET acknowledges all parents and thank you for caring for your kids.

School Exams

We would firstly like to wish all our learners GOOD LUCK and all of the best for the June examinations. Parents please advise Teacher Roselynn via SMS or WhatsApp if your child/children will not be attending classes due to studying as this is of vital importance to us at ADET.

Matific & Reading Eggs Classes

All classes will still be ongoing per normal during the school exams.

June Holiday Program

All notification regarding the Holiday Program will be forwarded to parents in the coming week via letter so please look out for that.

MATHS AND SCIENCE ACADEMY

Saturday Mathematics Classes

All classes will still continue per normal. Should there not be classes on a particular Saturday, Teacher Roselynn will communicate with all parents and students via WhatsApp/SMS. If there are any changes to any of the programs, communications will be sent out in advance. This program is very beneficial to our students and it is a FREE program for grade 9 & 10, so parents please encourage learners to attend the classes.

Fees (Classes)

Parents, please make every effort to honour the payment agreement of your child/children's FEES as discussed with you on the day of registration no matter how small the amount may be.

Raffle

We have a raffle that will be given to all learners here at ADET at R10.00 per number with three great prizes up for grabs. The learner who brings in the most cards stands to win their own special prize. Please make every effort to assist learners as this is their idea and activity.

After Care

A reminder to all parents; After care FEES are to be paid by the 1st of every month. A grace period of 3 days will be given for all payments to be made and no exceptions will be made thereafter. All parents that are in arrears, please ensure that you settle the account before the next month.

Winter has arrived

Parents, please ensure that your child/children are dressed appropriately for the cold weather as the buildings are not very warm inside. Let us try to avoid OUR kids from getting sick. If there are any parents who could donate any blankets, pillows, sponge sheets, paper etc, please contact Teacher Janine on 064 11 55 240. It would be highly appreciated.
